

Web Policy

Purpose

The purpose of this policy statement is to inform users of this site about the collection and use of personally identifiable information.

Definition of Personally Identifiable Information

For the purposes of this statement "personally identifiable information" means any information relating to an identified or identifiable individual who is the subject of the information.

Personally Identifiable Information Not Routinely Collected

Citizens do not have to routinely provide personal information to visit www.beoutsideidaho.org web site or to download information. Government agencies may request personally identifiable information from you in order to provide requested specialized services, but such information is handled as it would be on an in-person visit to a government office.

Personally Identifiable Information Available From Governmental Web Sites

Access to personally identifiable information in public records at state and local levels of government in Idaho is controlled by Idaho law. Information that is generally available under Idaho law may be posted for electronic access through www.beoutsideidaho.org. The Internet Protocol (IP) numbers of computers used to visit www.beoutsideidaho.org site is noted as part of our statistical analysis on the use of our web site so we may better design services and improve access to them. However, the site does not attempt to gain personally identifiable information on individual users and associate them with IP addresses.

Use of Constituent E-mail Addresses

E-mail addresses obtained as a result of a request to the www.beoutsideidaho.org site will not be sold or given to private companies for marketing purposes. The information collected is subject to the access and confidentiality provisions of Idaho Code and federal law. E-mail or other information requests sent to the www.beoutsideidaho.org web site may be maintained in order to respond to the request, forward that request to the appropriate agency, communicate updates to the www.beoutsideidaho.org page that may be of interest to citizens, or to provide the www.beoutsideidaho.org web designer with valuable customer feedback to assist in improving the site. Individuals will be provided with the ability to "opt out" at anytime of any communication regarding new service updates.

Data Security and Quality

www.beoutsideidaho.org is committed to data security and the data quality of personally identifiable information that is either available from or collected by governmental web sites, and has taken reasonable precautions to protect personally identifiable information from loss, misuse or alteration. Any third parties responsible for this information are committed to the same principles, and also are required by contract to follow the same policies and guidelines as the state of Idaho in protecting this information. Unless otherwise prohibited by state or federal law, rule or regulation, the individual is granted the ability to access and correct personally identifiable information whether or not the information inaccuracy was accidental or was created by unauthorized access.

Non State Web Sites

Various Web sites may be linked through www.beoutsideidaho.org. Visitors to those sites are advised to check the privacy statements of these sites and be cautious about providing personally identifiable information without a clear understanding of how the information will be used. Visitors may also wish to consult privacy guidelines such as those recommended by the [Online Privacy Alliance](http://www.privacyalliance.org)

Links to Third Parties and Other Sites

Links to third parties are provided throughout this web site. These links are provided solely for additional information as a service to our online users. The appearance of a link on any page does not constitute an endorsement, recommendation or certification, nor should the presence of a link in any way be construed as a suggestion that the site has any relationship with Idaho Children and Nature Network (ICNN). Such sites are not under the control of ICNN, and ICNN is not responsible for the content, advertising, products, services or any views that might be expressed or referenced in a third party web site, including without limitation any link contained in a third party site, or any changes or updates to a third party site. Under no circumstances shall ICNN be held responsible or liable, directly or indirectly, for any loss or damages caused or alleged to have been caused by use of or reliance on any content, goods or services available on such sites, or as a result of use of any information you provide to such sites. Once you leave ICNN web site (www.beoutsideidaho.org) and link to an external site, the ICNN Internet policies no longer apply and you will be subject to the new site's policies. Be Outside Idaho, in its sole discretion, will determine whether the external link meets the purpose of this web site for the specified informational purposes.
