

Sun Valley Resort

Responsibility. Responsibility. Responsibility.
Hmm. Nope, doesn't ring a bell.

I must have corporate amnesia. Would this word 'responsibility' affect the manner in which I wack this little white ball? If so, then it's probably not for me. Currently, I'm on a strict **Four Star Diet** of sky, water, air, mountains, greens and lots of irons. So yeah, I'll let you know on that. You might try my *former self*. Please send him my regards.
